Square Mobile

ReadyCloud is an orders-based CRM. It quickly connects to multiple Square accounts and order channels to view your Square-powered POS, Mobile and Online Store sales in one place.

ReadyCloud delivers better sales insights to merchants and greatly improves the consumer experience. Built-in shipping, “Amazon-like” returns and action-based growth marketing come together as part of a suite to nurture a new sale into a repeat customer. See the short attention span demos at: www.readycloud.com/lp/square-partner.

BUILT FOR MERCHANT GROWTH & RETENTION

CRM for Ecommerce

Trending products, instant customer profiles and channel performance summaries add new color to all your order sources. Collaborate with team members through Tasks, Events and internal Action Alerts.

Connect & Grow

ReadyCloud instantly connects to any Square-powered order source. Customers, products, inventories, discounts and even order notes are synced to add a powerful backend to any Square online store.

Square-Powered POS

ReadyCloud supports any Square powered POS and includes one of its own. Take phone orders, charge for repairs or support, every transaction is added to the consumer's profile.

Action Alerts

Connect with customers in a meaningful way based on purchasing patterns. Send tracking and delivery confirmations, cross-promote products, send SMS notifications for a flash sale and more.

Pricing starts at

\$24 per month !
